ABOUT SKROSS®

SAFE + SIMPLE + SWISS

WHO WE ARE

Positioned and renowned as a leading brand for high-quality travel accessories, SKROSS® products are currently available in more than 100 countries worldwide. Designed with the modern traveller in mind, the product range includes SKROSS® travel adapters, a complete range of USB chargers for car and home, power banks and charge & sync cables.

SAFE PRODUCTS

Maintaining the highest quality in safety standards forms the foundation across the entire SKROSS® development and production process. With these standards, defined by the International Electrotechnical Commission (IEC), we guarantee our development team only design the best in innovative adapters that provide our customers with safe access to power, wherever they are in the world.

SIMPLE CHARGING – ANY TIME & PLACE

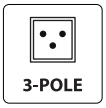
Staying fully charged is simple with SKROSS® due to our patented country slider system. Ensuring connection globally, across all continents, our products also remain compact and the easiest-to-use available option in the market - it's what makes SKROSS® so unique.

SWISS MOBILE POWER SOLUTIONS

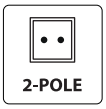
All SKROSS® products are designed with a clear focus on enhancing the experience of today's sophisticated traveller and our world and country adapters are genuinely Swiss in design and development. With this legacy, we ensure the highest in Swiss quality standards.

SKROSS® – A GLOBAL PLAYER FROM SWITZERLAND

ICON GLOSSARY



THREE POLE (EARTHED)
3-pole means that the device plug is earthed and that it normally has three pins, of which two are used to transfer the current and one is used as personal protection. Great for power hungry devices (> 600 W).



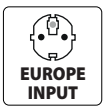
TWO POLE (UNEARTHED)
2-pole means that the device plug is not earthed and it normally has two pins that transmit electricity. Perfect for devices which use less power (< 600W).

4 COUNTRY SLIDERS
The device features 4 country sliders for countries with plug standards: USA, UK, Australia/China, Switzerland/ Italy/Brazil, Europe.

3 COUNTRY SLIDERS
The device features 3 country sliders for countries with plug standards: USA, UK, Australia/China.

GLOBAL WARRANTY
We stand behind all of our products and their quality by offering a global 2 year warranty.

WORLD INPUT
Adapters with a World input for many different types of plugs – for world travellers.



EUROPE INPUT
Adapters with Europe input for European plugs – for travellers from Europe with Schuko.

Design by Jacob Jensen

ALPHA BY SKROSS®

This high-class design travel adapter is the best adapter we have ever made: it combines a contemporary, elegant design with state-of-the-art components. Carries a 5-year international replacement warranty. Triple protection features: smart fuse, thermal switch-off and child protection. Subjected to rigorous testing to meet the highest quality and safety standards.

Article-No. 1.104100 | EAN Code 7640166322450

POWER CASE

Includes a hardshell storage case to protect the adapter while traveling.

TECHNICAL SPECIFICATIONS

- Input voltage: 100 V – 250 V
- Max. load: 10 A
- Power rating: e.g. 100 V – 1000 W / 250 V – 2500 W
- Integrated, resettable fuse
- Suitable for devices with 2- & 3-pole plugs
- Adapter does not convert voltage

HIGH END PACKAGING

Beautifully packed inside a luxury gift box displaying the adapter and storage case.
